

Enrichment

Ancient Greece themed enrichment day

Computing

Coding

- Designing, inputting and testing increasingly complex sets of instructions to programs or devices
- Designing programs that follow a sequence of instructions or allow a set of instructions to be repeated

RE/ PSHE

How and why do Christians read the Bible?

- To know there are several different genre of writing in the Bible.
- To know that the Bible is used to help answer questions about creation, truth, suffering and death, values for life and ethical issues.
- To understand more about other holy books that teach, guide and impact people's daily lives.

Science

- describe the movement of the Earth, and other planets, relative to the Sun in the solar system
- describe the movement of the Moon relative to the Earth
- describe the Sun, Earth and Moon as approximately spherical bodies
- use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky.

Art/ DT

- Using shade and tone to draw Greek columns using chalk and charcoal
- Collage to recreate Minoan frescoes
- Oil pastel resist Greek pottery
- Scale models of the Parthenon

Autumn 1 - Year 5

Why was Ancient Greece the 'cradle of civilisation'?

English
