

# Science Curriculum Overview

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Reception	Seasons and observations of the natural world.	Materials/ Recycling	Similarities and differences between hot and cold environments. Seasons and observations of the natural world.	Similarities and differences between land and sea. Observations of the natural world.	Seasons. Observations of the natural world.	Recycling
Year 1	Human Body and Senses – Plan Bee	Materials	Materials	Animals including humans	Seasons	Plants
Year 2	Plants	Materials	Habitats	Animals including humans	Working scientifically: comparative tests and recording data	Healthy living
Year 3	Rocks and soils	Animals including humans	Magnets and forces	Light	Light	Plants - How does a blossom become an apple?
Year 4	Sound	States of Matter	States of Matter	Electricity	Animals including humans	All living things
Year 5	Earth and Space	Materials	Materials	Forces and magnets	Living things and habitats	Animals including humans
Year 6	Light	Electricity	Evolution + Inheritance	Living Things and their Habitats	Animals including Humans	Animals including Humans
