

West Didsbury CE Primary School Improvement Plan 2022-23

Quality of Education

Intention

Implement a broad and robust curriculum across the school, that identifies and addresses lost learning enabling all children to reach their potential to become their best self

<p>To continue to embed a curriculum that challenges all to reach their potential. Curriculum lead established to support teachers and teaching of curriculum Audit of all subjects in all year groups to ensure cohesion, progression of skills and 'flow' from Rec to Y6 Regular meetings with year group teams to ensure coverage and consistency of foundation subjects Curriculum lead to work closely with subject leads to prioritise specific areas based on audit 4 priority subjects – DT, Science, Geography and Computing DT: ensure successful rollout of new scheme and effective adaptation (sufficient level of challenge & quality end products) Science: monitor progression in working scientifically and full range of enquiry types in all year groups Geography: focus on fieldwork and progression in fieldwork skills. Topics tweaked (Years 1, 2, 3 & 6) so all prior learning is revisited and all objectives are taught with sufficient depth Computing: each year group to have a unit that isn't Purple Mash to ensure transferable skills Non-fiction reading spine evident in all reading areas, supporting current topics</p>	<p>Increase percentage of children at ARE in writing. Regular Talk for Writing refresher training for all staff (termly basis) and targeted support for new members of teaching staff. Open door session twice a month for staff to drop in and review planning and writing targets. Regular class drop in sessions to focus on the quality of teacher modelling of writing during the innovation stage and regular constructive feedback provided. To show targeted focus on transcription in KS1 and Year 3 with handwriting and spelling explicitly taught and prioritised on the timetable. Spelling Shed to be implemented consistently across the school and followed up upon after twilight training sessions are completed. Regular review of home engagement and push on this across the school. Continue to organise moderation sessions with local schools for all year groups to attend</p>	<p>To implement Power Maths and Mastering Number to ensure consistency and quality first teaching for mastery across school. SIP lead and maths lead to work together with SLT to build a curriculum that meets and challenges the needs within our school. Develop whole school policy on what "challenge" looks like and how we teach and assess "mastery". Regular walk rounds and book scrutiny termly to allow monitoring of strengths and weaknesses of our practice and review effectiveness of teaching and learning. Regular staff meetings- feedback on our progress and for CPD. Develop the use of maths journals as a way to document problem solving, reasoning and application of skills in a variety of contexts. Keep up" rather than "catch up" interventions running across school in dedicated intervention slot based on the needs of each cohort. Engage with mastering number programme in KS1 and EYFS to develop fluency.</p>
